**angela adams** is a casual modern luxury brand devoted to comfort, quality and craftsmanship. Angela's designs are known for their sense of timelessness, simplicity and balance, all inspired by Maine's natural beauty. Pairing hand-tufted rugs with handmade furniture, Angela and husband Sherwood Hamill have developed a shared visual language that defines the angela adams aesthetic. Products include rugs, furniture, handbags and glassware. Through a range of strategic partnerships with industry leaders, the angela adams offering has expanded to include stationery, bedding and bath products, ceramic tile, contract carpet, fabric and wallcovering. As the company evolves, angela adams continues to combine quality and integrity to create a design-inspired lifestyle.
